## September

(Earth, Wind and Fire – new version by Kirk Franklin)

Do you remember, when it was like September  
Before you go cold like December  
and all you saw a cloudy day

And I remember, that day when you surrender  
You start turning cuz you remember  
The season it won't last always, hey hey hey

Ba de ya, tell me you remember  
Ba de ya, n your heart feels like September  
Ba de ya, n'God was just a prayer away

ba doo doop ba doop, ba doo doop ba doop  
(I can see clearly now)  
ba doo doop ba doop, ba doo doop ba doop  
(the sun is much brighter now)  
ba doo doop ba doop  
(the season it wont last always)

Sing like forever  
You said when will my life get better  
I'm tired of stormy weather  
But the sun will always shine in day

So just remember,  
the next time you feel like December  
Remember the night in September  
When God will wipe your tears away
