

Without You

Verse 1

I can take a plane high up in the sky
and fly for a million miles
Write a melody so sweet, make a tear turn
into a smile
And I can see the color of spring I can even feel
the weather change
And soon the leaves fall and winter calls,
'cause nothing ever stays the same
When I think of where I've been, what I've
done and all I own
How I think I know everything, like I made it
here on my own
And like the wind that blows
And like a flower that grows
Still with all I can do

Chorus 1

Without You, life's a song with no end
Without You, like having a heart that won't
mend
Without You, we're just actors on a stage
Like a child who's lost his way
Wouldn't be here today without You

Verse 2

I admit that sometimes my pride tries to hide
my view
And even this gift that You gave me, I forget
it's for You
And all the many days and many ways Your
grace I've abused
Still you were patient and Your love loved me
through
But the wind still blows, and the flower still
grows and one thing is still true

(Chorus 1)

Chorus 2

[Without You] life's a wound that won't heal
Without You, nothing in this world is for real
Without You, we're just actors on a stage
Like a child who's lost his way
Wouldn't be here today without You

Bridge

Can't live, can't see Your will for me
Can't do anything, anything

Vamp

Without You, we're like a bride with no groom
Without You, it's like seeing no sunshine in
June
Without You, we're just actors on a stage
Like a child who's lost its way,
We wouldn't be here today
Without You, Jesus my life would be lost

Without You, I'll never know what it cost
To see You lay Your life down for me
From my past now I'm free

Tell me where would I be without You
Tell me where would I be without You
Wouldn't be here today without You
Wouldn't be here today without You
