

That's the way God planned it (Billy Preston)

How men be so greedy
When there's so much left?
All things are God-given
And they all have been blessed

Why can't we be humble
Like the good Lord say?
He promised to exalt us
But love is the way

That's the way God planned it
That's the way God wants it to be
Oh, that's the way God planned it
That's the way God wants it to be

Let not your heart be troubled
Let mourning, sobbing cease
Learn to love your brothers and
And live in perfect peace

Why can't we be humble
Like my Lord say?
He promised to exalt us
But love is the way

That's the way God planned it
That's the way God wants it to be
Yeah, that's the way God planned it
That's the way God wants it to be

Oh, why can't we be humble
Like my Lord said, y'all?
God's gonna exalt us all
But love is the way

Yeah, that's the way God planned it
That's the way God wants it to be
Ya better believe me
That's the way God planned it
That's the way God wants it to be, ya-
hey

Why don't you believe me?
That's the way God planned it
That's the way He wants us to be
Love one another

Whoa, man
That's the way God planned it
That's the way God wants it to be
